

FEDERAL FLOOD INSURANCE NOW AVAILABLE IN THE CITY OF RUSH CITY

The City of Rush City has joined over 21,000 communities nationwide that are allowed to purchase federally backed flood insurance. This availability follows the community's adoption and enforcement of ordinance to reduce flood losses and acceptance by the National Flood Insurance Program (NFIP).

The City of Rush City is now a participant in the NFIP effective on March 14, 2014. Residents of the City of Rush City will be able to purchase flood insurance up to the limits under the Regular Phase of the program. However, there is a 30-day waiting period before flood insurance coverage goes into effect. For single-family dwellings, the building coverage limit is \$250,000, and the contents coverage limit is \$100,000. Renters can also protect their belongings by purchasing contents coverage. For commercial properties, the building and contents coverage limits are both \$500,000.

Lenders must require borrowers whose properties are located in a designated flood hazard area to purchase flood insurance as a condition of receiving a federally backed mortgage loan in accordance with the Federal Disaster Protection Act of 1973.

The NFIP is implemented through the Federal Emergency Management Agency. There are over 5.5 million flood insurance policies in more than 21,000 participating communities nationwide.
